

Assign the same label to two different sites?

You just entered "paypal"
for the current site:

"paypal"
already refers to the site:

Name: **Paypal Inc.**
certified by VeriSign, Inc.

Name: **Paypal Inc.**
certified by VeriSign, Inc.

These sites are certified by two DIFFERENT agencies,
regardless of their claimed names.

Be careful that the current site isn't an impostor!

Don't assign this label

I am sure these sites are the same
